I am a natural romantic, a poet, and a nurturer.

At work, I have a strong desire to influence others so they lead more significant lives. I often work in the arts, communications, education, and the helping professions. I am adept at motivating and interacting with others.

In love, I seek harmonious relationships and believe in true love. I am romantic, and cherish the small gestures of love. I am affectionate, supportive and a good listener. I enjoy doing thoughtful things for others. I bring drama, warmth and empathy to relationships.

In childhood, I was imaginative and creative. I flourished with encouragement rather than competition, and wanted others to like me. I reacted with great sensitivity to discordance or rejection and sought recognition. I responded best to my teachers who were warm and friendly.

In love, I am serious and tend to have traditional, conservative views of both love and marriage. I want a mate who can work along with me, building a secure, predictable life together. I demonstrate love and affection through the practical things I do for my loved ones.

In childhood, I wanted to follow the rules and regulations of the school. I understood and respected authority and was comfortable with academic routine. I was the easiest of all types of children to adapt to the educational system.

GREEN

I seek knowledge and understanding.

Analytical • Global • Conceptual

I live life by my own standard.

Cool • Calm • Collected

Inventive • Logical • Perfectionistic

Abstract • Hypothetical • Investigative

**I am a natural non-conformist, a visionary,
and a problem solver.**

At work, I am conceptual and an independent thinker. For me, work is play. I am drawn to constant challenge in careers, and like to develop models, explore ideas, or build systems to satisfy my need to deal with the innovative. Once I have perfected an idea, I prefer to move on, leaving the project to be maintained and supported by others.

In love, I prefer to let my head rule my heart. I dislike repetition, so it is difficult for me to continuously express feelings. I believe that once feelings are stated, they are obvious to a partner. I am uneasy when my emotions control me. I want to establish a relationship, leave it to maintain itself, and turn my energies back to my career.

In childhood, I appeared to be older than my years. I was focused on my greatest interests, and achieved more in subjects that were mentally stimulating. I was impatient with drill and routine. I questioned authority, and found it necessary to respect teachers before I could learn from them.

Physical • Immediate • Fraternal

I am a natural trouble-shooter, a performer, and a competitor.

At work, I am bored and restless with jobs that are routine and structured, and satisfied in careers that allow me independence and freedom while using my physical coordination and my love of tools. I view any kind of tool as an extension of self. I am a natural performer.

In love, I seek a relationship with shared activities and interests. With my mate, I like to explore new ways to energize the relationship. As a lover I need to be bold; I thrive on physical contact. I believe in leaving plans flexible, so I can choose what to do when the moment arrives.

In childhood, of all types of children, I had the most difficult time fitting into an academic routine. I learned by doing and experiencing, rather than by listening and reading. I needed physical involvement in the learning process and was motivated by my own natural competitive nature and sense of fun.
